

The 17th Karmapa Trinley Thaye Dorje

New Delhi, 9 May 2021

Dear Dharma friends,

The Covid-19 situation has become much worse in Nepal over the last few days, with hospitals and healthcare facilities overstretched. In Kathmandu and across the country, very many people find themselves in difficult and painful circumstances due to this pandemic.

In these times, my thoughts and prayers are especially with these individuals and their families and loved ones. Please join me in dedicating the merit of our Dharma practice – especially of the ten-syllable mantra of the Wisdom Aspect of Tara – to the alleviation of this suffering.

OM TARE TUTTARE TURE SVAHA

In this way, in whatever country we may be, we are actually together.

May sickness, pain, and their cause be cut at the root!

With prayers,

Thaye Dorje, His Holiness the 17th Karmapa
